

Janine Jansen: Falling For Stradivari 9PM, SKY ARTS ★★

Violinist Janine Jansen (left) has a real treat on her hands in this joyful new documentary. The Dutch virtuoso plays 12 Stradivari violins that are worth more than £200 million in total, and some of which haven't been played in 200 years. Can you imagine the insurance documents for such a recording?

The Blob: A Genius Without A Brain 10PM, BBC4 ★★

This new documentary challenges the very notion of intelligence. The 'blob' in question is slime mould – it's not a plant, animal or fungus, but a giant, single-celled organism that has no brain, but seems capable of making intelligent decisions and even learning about its environment.

Outsiders 10PM, DAVE ★★

Pairs of comedians compete for scout badges in a new, Taskmaster-style outdoor comedy contest run by David Mitchell (left), who is dressed like a gentleman in defiance of his surroundings. Ed Gamble and Lou Sanders are the standout duo because he really wants to win the badges, and she just wants to make mischief. **RW**
